

Re: 2026 Medtec – Letter to Exhibitors

Your Excellency,

2026 Medtec will celebrate its 20th edition from September 1st-3rd 2026. The exhibition is expected to reach 47,000 m², with 1,100 exhibitors, 90,000 professionals, and together with ADTE Expo and Quality Expo. It is the support from you since 2005, Medtec can evolve from tradition to innovation, from singular to diversity.

To better serve the industry and adapt the upcoming 15th Five-Year Plan, Medtec will relocate to Shanghai New International Expo Center, N1-N4 (Short for SNIEC). This action marks a new Medtec journey, in the future Medtec will increase quality requirements to ourselves, so to meet the future industry expectations.

China Medical Device market expand since 2021 and jump into world second largest market. Relying on 10%-15% growth rate, Medtec scale expand from 8600 m² to 47,000 m², almost 6 times since 2005, becomes a key communication and manufacture platform for medical device R&D and Manufacture. As one of the global footprints of Medtech World, Medtec China is now lush and rich in activities, since last editions we even initiated Active Device Tech Expo.

Within four exhibition halls in SNIEC, 2026 Medtec will showcase 3 themes, include: Medical Materials & Core Components, Medical Manufacturing Service & Equipment, Active Device Tech Expo (ADTE). Especially, the ADTE will demonstrate chips, sensors, optical image for diagnosis and treatment and other leading components utilized in today's medical device design and manufacture. Medtec not only acts as a solution provider to Made-in-China medical components and device, but also a gateway for international supply chain into China market, so business can understand market, control first-hand information, and introduce innovation.

In addition to the 3-day exhibition, the 2025 Medtec Global Medical Supply Chain Summit will be introduced. This event aims to connect industry chain, prompt doctor and production corporation, discuss leading technology and policy.

With the global increasing demand of medical healthcare, medical device R&D and manufacture industry is facing unprecedented opportunities. We sincerely thanks each exhibitor's participation, your are the core of Medtec and the major reason for professional visitors to physically appear year by year. Medtec will work best to organize a quality exhibition and assist China and even global medical device industry to step to the next level!

We hope each of you harvest purchase orders, inspire business and make business connections during 2026 Medtec, hope to see you from September 1st to 3rd 2026 in Shanghai New International Expo Center, N1-N4.
