Medtec China “MedPoint”

In the spirit of fairness and openness, we create the MedPoint for our common interests.

1. Total MedPoint is the sum of existing points and the current year points.
2. MedPoint calculation: $\text{Booth Space}/9 + \text{Sponsor Fee}/25,000 + 1$. If there is a remainder in the division, it will be rounded up to the next whole number.
E.g. A client joined us in 2024 with 18 sqm booth, and came back with the same size in 2025. The company also adopted a 50,000 RMB sponsor package in 2025.
2025 Point: $18/9 + 1 + 18/9 + 1 + 2 = 8$
3. All MedPoint will be reset when consecutively miss 2 years' show.
4. Medtec China participation counts ONLY, Medtec world series are NOT included.

Onsite Rebooming Policy

1. On-site rebooking sequence is based on your space and MedPoint.
2. Same space, MedPoint go FIRST.
3. All exhibitors are divided into 30 groups, each group shares the same period time to rebook. Every client will be given a Number Tag when arrives at the onsite rebooking office, “First Come, First Served”.
4. Each Group consists of about 30 companies, the organizer will NOT provide the Number Tag in advance. If a company arrives late, its schedule will be postponed accordingly.
5. Medtec China DO NOT accept any onsite booth combination of different companies due to small booth size in order to gain more exhibition interests. If such behavior is found during the move-in/booth registration period, the Organizer reserves the right to cancel all entitlements of the contracted booth. All MedPoint for the next edition will be reset to zero. Any special cases must be communicated in advance and approved by the Organizer's responsible person.

***All disputes and ambiguities fully comply with the onsite official reply and explanation.**
